

TRUX DRIVES VALUE FOR HAULERS

1 GET MORE LOADS PER DAY

We make it easier for dispatchers to plan and create schedules ahead of time. That means you'll spend less time waiting in line to get loaded and unloaded -- most haulers using Trux see an extra turn/load per day!

2 ELIMINATE PAPER

Trux takes care of the heavy lifting by automatically logging all your work - hours, loads, tons, etc. And with digital tickets, there's no more collecting and submitting paperwork throughout the day.

3 ELIMINATE DISTRACTIONS

Tired of constantly getting phone calls asking where you or your drivers are? Trux gives the job site foreman and dispatcher the info they need - which means less distraction and more focus on making money!

4 STAY ORGANIZED

You get access to a FREE tool to organize your drivers. Assign work directly to drivers and track completed work. You can even view your earnings in real-time!
